

## ***Propagation and Radio Science Erratum***

### **Page 17.2**

In the second sentence of the first paragraph, the S meter's scale from S-1 to S-9 was incorrectly described as linear. It is, in fact, logarithmic. The sentence should read:

The S meter has a logarithmic scale in 6 dB increments, beginning at S-1 on the bottom end, and extending up to S-9 at about 2/3 scale.
